<b>C</b>			
Chespa	Pologne	consommables d'impression; production d'encre d'imprimerie - flexographie, heliogravure, uv, encres digitales; encres a base d'eau et a base de solvants; clichés en photopolymère, manchons en photopolymère, formes de découpes - forme rotative et plate, service repro, design	2A.25
<b>D</b>			
Daetwyler-Hell France	France	racles d'impression, matériel heliogravure, matériel flexogravure	2C.15
<b>F</b>			
Future Pack	Corée du Sud	paper cup machine, handle cup machine, paper cup sleeve (2 layer coffee, noodle & plastic cup) machine, blank punching (die cutter) machine, printing & punching machine, blank offset printing machine, paper plate (tray) machine and other packing related converting machinery	2A.19
<b>G</b>			
GIC Graphique Informatique Concept	France	concepteur et distributeur de solution d'impression et de façonnage sur le marché de l'étiquette, de film, de packaging et d'étui carton	2C.21
Graphic Evolution	France	distributeur machines offset KBA, machines flexo BOBST- machines finition SMAG	2B.38
<b>H</b>			
HAMER Packaging Technology	Espagne	manufacturer of roll-fed vacuum thermoforming machines for the production of dispensable plastic packages and automatic form, fill and sealing lines for blister packaging; consultation and a service center in packaging	1C.41
<b>I</b>			
International Machinery Trading and Services	Algérie	matériel de fabrication d'articles en matières plastiques; matériel d'ensachage; pré-transformation des plastiques; matériel de collecte et de recyclage du papier et du bois; importateurs et exportateurs de marchandises et denrées, matières premières	2C.03
Italia Sistemi Tecnologici	Italie	reclaimers for waste solvent and waste water, continuous cycle distillation systems integrated in line with production processes, solvent- and waterbased washing units, ultrasonic washing units for parts and anilox cylinders	2B.40
<b>K</b>			
Konica Minolta Sensing Europe	France	solutions de mesure de la couleur, de l'apparence du plastique et des emballages: spectrophotomètre, colorimètre, brillancemètre, spectrophotomètre multi-angle, logiciel de formulation, spectrodensitomètre, lecteur de charte automatique, etc.	1C.19
<b>M</b>			
Maghreb Emballage	Algérie	carton ondulé avec impression	2C.17
Miller Graphics Algérie	Algérie	services de pré-presses pour tous les processus d'impression et un distributeur de produits consommables de qualité destinés aux imprimeurs flexo	2C.23
<b>N</b>			
Nan Pao Resins Chemical	Taiwan	chemical resins, raw material, adhesives	2A.17
NBG Printographic Machinery	Inde	web offset printing presses for newspapers, tabloids & books with product portfolio including 'STARflex' label printing press for various types of labels and 'STAR' continuous stationery printing machine for business forms, consumer bills, cheque books	2A.15
<b>O</b>			
OMS Maghreb	Tunisie	complete range of end-of-the-line packaging machines and systems: from simple strapping machines to sophisticated packaging systems	2B.30
<b>P</b>			
Pakea	France	paper converting applications: complete lines for the production of paper tubes and paper profiles; paper and composite canisters production and finishing machines	1C.07
pbh France	France	distributeur de machines et de matériels en Algérie: extrudeuses, imprimeuses, machines à sacs papier et plastique, sleeveuses et suremballeuses	2C.13
<b>R</b>			
Rotoffset Corporation	Inde	manufacturer, sub-contractor & assembler of web-fed offset presses which come complete with installation and training.	2A.05
Ruian Dongteng Machinery	Chine	A4 copy paper cutting & ream wrapping machine, synchro paper sheeting machine, folio size ream wrapping machine	2B.28
Ruian E-dynamic Complete Equipment	China	packing machines, plastic machines, printing machines, beverage making machines, food stuff machines etc	2A.22
<b>S</b>			
SBL Machinery	Taiwan	die-cutting platen, foil stamping platen and folder gluer	2C.06
SCS Automaberg	Italie	constructeur des systèmes personnalisés pour la reliure et le façonnage	2A.03

<b>Shanghai Yoco Printing</b>	Chine	post press machinery including automatic diecutter, automatic foil stamping machine, automatic folder gluer, automatic quality inspection machine, automatic window patching machine and automatic PUR glue film laminator	2B.24
<b>Solema</b>	Italie	industrial machines for automation, in order to enhance productivity and efficiency in graphic art and paper board industry	2A.03
<b>SOMA</b>	Pologne	high quality printing and converting machines for the flexible packaging industry	2A.25
<b>T</b>			
<b>Taizhou Color Packaging &amp; Printing</b>	Chine	producing mold label, PP IML, PS IML, metallic effect IML, embossed effect IML	1B.09
<b>Tasdeer Holding</b>	Egypte	packaging solutions	2C.03
<b>Technograph Plus</b>	Algérie		2C.20
<b>Tecnomac</b>	Italie	arts graphiques et packaging	2A.03
<b>The National Company for Glass &amp; Crystal</b>	Égypte	manufacturing of glass containers: bottles, jars	2A.04
<b>Toutin Service</b>	France	machines de transformation de cartons ondules et compacts	2C.25
<b>W</b>			
<b>Weifang Donghang Graphic Technology</b>	Chine	R & D, manufacture, sale and after-sale of printing machine and after-printing equipment Our product: Flexographic printing machine	2A.23
<b>Wenzhou Allwell Machinery Share</b>	Chine	nonwoven bag making machine	2A.27
<b>Windmüller &amp; Hölscher</b>	Allemagne	machines for the manufacture of flexible packaging, comprising film extrusion lines, printing presses, sack machines and FFS bagging lines	2C.13
<b>Y</b>			
<b>Yeniler</b>	Turquie	adhesive labels, shrink sleeve, washing instructions, ribbons, bar code products, teknokim products	2C.19
<b>Yutian Huatai Printing Machinery Company</b>	Chine	die cutting machine, die cutting and stripping machine, die cutting and foil stamping machine, high speed window patching machine	2A.28
<b>Z</b>			
<b>Zhejiang Haosheng Printing Machinery</b>	Chine	sheet cutter machine and laminator machine, controlled by PLC and servo motor	2B.26
<b>Zhejiang Zhengxin Machinery</b>	Chine	automatic non-woven bag making ,non-woven fabric printing machine,non-woven cross cutting machine,non-woven slitting machine and non-woven bag handle hot sealing machine	2A.07
<b>Zhejiang Zhuxin Machinery</b>	Chine	film blowing machine, bag making machine, flexo printing machine, paper bag machine, slitting machine and packing machine	2A.12

ACON Environment	Autriche	plasticsorting, process-viscometer, wastewater	1D.51
Actiplast	France	formulation et fabrication de granulés PVC et WPC	1C.13
Addiplast Group	France	formulation, l'ignifugation et la coloration de compounds	1C.11
Adora Kymia	Algérie	fabrication de la charge en plastique	1C.06
AFROPE PLAST	Algérie	Masterbatches and additives for the plastics processing industry	1B.22
Akdeniz Kimya	Turquie	manufacturer & exporter of PVC additives & specialty chemicals	2C.11
Aksoy Plastik	Turquie	fournisseur innovant, orienté vers la technologie des solutions pour les colorants et les additifs spéciaux sous forme de Masterbatches. Situé à Istanbul – Turquie, représenté en Tunisie et en Algérie par l'entreprise PLATINIUM.	1E.23
Al Amoudi Plastic Factory	Qatar	shopping bags, domestic bags, PE rolls/sheets, dairy packaging, shrink film, stretch film	1C.40
Al Khaleej Plastic Industries	Qatar	Polyethylene sheets, garbage bags, PVC pipes, etc.	1C.38
Al Muftah Fiber glass Products	Qatar	fiberglass and GRP products, spherical tanks for filtration, vessels for industrial use, manhole liners, decorative domes, car-park shades and pick-up cabin, covers, hotel and garden furniture like chairs, tables, pipes and fittings, cabins, partitions, etc.	1C.44
Al Muftah Polymer W.L.L	Qatar	tanks, road barriers, flower pots and powder of LLDPE; rotomould water tanks range from 100 US gallons to 5,000 US gallons	1C.42
Al Naqeeb Plastic Factory	Qatar	PolyPropylene woven bags, PolyPropylene fabric rolls, PolyPropylene custom-made products	1D.37
Al Rayyan Plastic Factory	Qatar	various plastic bag products and sizes, high quality paper cups, environmental friendly aluminum containers, top quality foam tray, various food container products	1C.26
Al Sada Factory for Plastic Pipes	Qatar	PPR pipes, PPR fittings	1D.33
Al Sada Plastic Profiles	Qatar	plastic lumber	1D.35
Alarbi et Fils	Algérie	machine d'injection plastique	2B.22
Albis Plastique France	France	production et distribution de matières plastiques et compounds thermoplastiques: PP, PE, SAN, ABS, ASA, ASA/PC, PC, PC/ABS, PA, PBT, POM, PETG, TPE, TPV, TPU, ...	1B.30
Al-Haya Plastic Factory	Qatar	shopping/ carrier bags, refuse sacks/ garbage bags, laundry bags, draw tape bags, agriculture, medical & pharmaceuticals, industrial application	1B.42
Al-Moasron Plastic Industry	Jordanie	plastic tanks industry	2A.10
Altek Plastik Makina	Turquie	plastic recycling lines and manufactures washing lines, PVC granule profile lines, grinders and film machines	1C.26
AMAPLAST	Italie	Italian plastics and rubber processing machinery and molds manufacturers' association	1C.36
Amut	Italie	plants for plastics processing	1D.14
AOKI Technical Laboratory	Allemagne	machines d'injection soufflage pour la fabrication de bouteilles en PET	1B.20
Austrian Federal Economic Chamber (WKO/AWO)	Autriche	la section commerciale de l'Ambassade d'Autriche représente l'industrie autrichienne de la plasturgie et du Caoutchouc	1C.60
<b>B</b>			
Baerlocher Kimya	Turquie	fabrication des stabilisants pour PVC	1B.03
Bandera Luigi Costruzioni Meccaniche	Italie	complete extrusion lines for blown film technology and rigid film & sheet technology	1D.31
battenfeld-cincinnati AustriaGmbH	Autriche	extrusion machinery; construction, infrastructure, packaging	1C.54
Bausano e Figli Spa	Italie	extruders and extrusion line for thermoplastic products	1D.25
BBM Maschinenbau und Vertriebs GmbH	Allemagne	fabrication des machines d'extrusion soufflage pur l'emballage de 50ml a 250l et pieces techniques (automotive)	1D.47
Behzad Plastic Products WLL	Qatar	multilayer flexible packaging film with rotogravure printing, plastic bags, pouches, sheets, stretch and shrink wrapping films, laminate films, greenhouse films, construction films, etc.	1C.46
Benk Machinery	Chine	pipe extrusion production line	1D.01
Best Response Techno Production	Algérie	machines d'injection plastique servomoteur à faible consommation de 60t jusqu'à 6800t; conception et fabrication de moules	1C.02
Biesterfeld France	France	distribution matières plastiques : PP, PE, PP compounds, PS, PC, ABS, PAG, PAGG, PBT, PC-ABS, SAN, PMMA, ...	1B.34
Bin Aman Plastic Industries	Qatar	Polyethylene sheets for construction, agriculture, protection, shrink wrapping, warning tapes, plastic bags, shopping bags, die cut handle bag, patch handle bag, poly draw handle bag or soft loop handle, plain & printed, food bags, dry garbage bags, table cloth / sufra	1D.39
Blend Colours	Inde	fabrication des colorants masterbatch	1B.03
Blue Air Systems	Autriche	dehumidification units and internal product cooling, resin dryers with compressed air drying technology, new technology for condensation free production conditions	1D.49
BMS	France	buses et autres pièces pour l'injection	2C.04
BNS Kalip Makina Plastik SAN.TIC.	Turquie	extruded PVC window and door profile moldings	1D.19
Bonmart Enterprise Corporation	Taiwan	whole-plant equipment for squeeze PE tube, extruder & cutting M/C, automatic heading M/C, 8 color printing, coating & drying M/C, hot stamping M/C, tube filling & sealing M/C, tube drilling & capping M/C	1A.13

<b>BritAS Recycling-Anlagen</b>	Allemagne	full automatic filtration systems for plastics waste; devices for quality control (bulk density) of pellets	1D.47
<b>BS Factory</b>	Algérie	panneaux PVC expanses - foam board	1A.03
<b>Bumatar German Factory for Plastic Products</b>	Qatar	UPVC pressure pipes, UPVC non pressure pipes, UPVC pressure fittings, UPVC non pressure fittings, PPR pipes, PPR fittings	1D.41
<b>Business France</b>	France	soutien du développement international des entreprises implantées en France et leurs exportations	1C.15
<b>C</b>			
<b>Cabot</b>	Belgique	fabrication de masterbatch noir, produit de la chimie fine et certains produits spéciaux	1B.06
<b>Cantoni</b>	Italie	des échantillons pièces plastiques; fabricant de moule	1D.21
<b>Çetlas</b>	Turquie	EVA foam and EPDM rubber profile for floor and window squeegees	1E.15
<b>CFP</b>	France	centre de formation de la plasturgie	1C.09
<b>Chem-Tech International Plastic Factory</b>	Qatar	PET preform, PET bottles, closures and other rigid packaging products for the catering, cosmetics and toiletry industries	1C.25
<b>Chongqing Bishan Jiecheng Plastic</b>	Chine	EPE foam extrusion, machine extrusion, equipment machines for packaging, packaged products, extruders and extrusion line	2A.38
<b>Chun an Ming Rong Import &amp; Export</b>	Chine	injection pipe fitting moulds	1E.09
<b>Cipasi</b>	Espagne	fabrication de la plaque cellulaire en polypropylène "CIPAFLEXI" et la plaque cellulaire en polycarbonate "CIPALUX"	1B.60
<b>Colines</b>	Italie	extrusion lines for the production of stretch, CPP, barrier, hygienic, air bubble film and alveolar boards	1C.32
<b>COPAR</b>	Liban	mold making company specialized in designing and manufacturing of plastic molds, providing after sales service	2B.02
<b>Cos.T.A.</b>	Italie	fabrication de machines pour la production et la finition de cuir synthétique, pour la finition cuir véritable, la production de bâches, la finition de tissus techniques pour l'industrie automobile, les autocollants pour étiquettes et le gaufrage et préparation à l'adhésif pour bordures pour meubles	1A.17
<b>D</b>			
<b>Dalian Sunlight Machinery</b>	Chine	big-bore double-wall corrugated pipe production equipment	2A.18
<b>Decoplast</b>	Algérie	fabrication de maître colorant pour la plasturgie (master batch)	1B.05
<b>Dekuma Rubber And Plastic Technology</b>	Chine	plastic pipe extrusion line	2A.14
<b>Dermak Makina ve Yedekparca</b>	Turquie	PVC mixers, weighing systems for powder, weighing units for liquids, material handling systems, debugging units, dehumidifiers, storage silos, sieving units, feeding systems	1E.17
<b>Detay Termoform</b>	Turquie	machines and equipment for preprocessing and recycling, moulds and dies, thermoplastics, Pparts made by termoforming	1C.21
<b>Distripol</b>	Algérie	importation matières plastiques, polymers, PVC, DOP, stabilisants et colorants	1B.03
<b>Doha Plastic</b>	Qatar	drip irrigation pipes and fittings: HDPE irrigation pipes up to 160mm and fittings, agricultural tunnels and mulch film, green house film, Polyethylene film for construction, industrial and domestic garbage bags	1B.40
<b>E</b>			
<b>Egyptian Company For Plastic Industry ELSEWEDY - EGYPLAST</b>	Égypte	PVC soft & rigid compounds, M.B. for PVC, XLPE, PP, PE & PS, PE jacket for cables, HFFR compound for cables, XLPE insulation for L.V. cables, Sioplas system	2C.05
<b>Ekin Makina Plastik</b>	Turquie	moulage par injection plastique horizontal et vertical	2B.12
<b>E-LUCK PLASTIC (GROUP)</b>	Chine	products are widely applicable for film, injection, pipe, engineering compounding	1C.18
<b>Engel France</b>	France	fabriquant de presse de transformation de matière plastique	1C.23
<b>ERACO Air Conditioning &amp; Industrial Applications</b>	Turquie	chiller, dry cooler, industrial cooling applications	2B.14
<b>EREMA Engineering Recycling Maschinen und Anlagen</b>	Autriche	plastic recycling system	1D.55
<b>Everplast Machinery</b>	Taiwan	PVC/ PE/ PP/ PS/ABS profile extrusion line, PVC/ PE/ PP/ ABS pipe extrusion lines, PVC compounding system, PVC door/ PVC window extrusion line, wood plastic composite (WPC), net making machine	1A.14
<b>F</b>
